NEWS

FROM THE T.S.A.

Last weekend all soccer was 'washed out' with the exception of the two Friday night matches the result of those games having made the title chase in the Cadbury League open to three teams. Juventus still lead but only on goal difference from Croatia with Olympia just points away in third place. Juventus having a game in hand which will be played on August 5th.

The Intrastate match postponed last Sunday will, subject to Federation approval, be played at the of the season with the match at Prospect being played as scheduled on August 7th.

On August 21st T.S.A. squads in Under 13 - 14 14 - 15 & 16 will take part in an Intrastate one day competition against the North & North West - all matches being played in Launceston.

A recent report has been received regarding security of valuables. Wallets and money has been stolen from the Domain Cenotaph dressing rooms whilst a match was in progress. ALL concerned are asked to ensure that valuables are NOT left in the dressing rooms at any of the grounds - it is in your own interest.

MISS SOCCER QUEST 1983:

The function will be held on Friday, August 26th at Wrest Point when the meal will be a Carvery - tickets are $16.00 a single and can be ordered from the T.S.A. office. Make up a party and have a good night out.

Numerous complaints have been received about the closure of grounds last weekend. It should be noted that apart from two exceptions all grounds were closed by the respective Councils and NOT by the Association.

Whilst dates/venues have not been determined it is expected that ALL postponed matches will be played later in the season. Relevant details will be circulated.

SUMMER SOCCER 1983/84

Last month this matter was set out in SOCCER '83 NEWS - whilst nothing has been determined it will only be successful if the views of YOU - the players and club officials/supporters - want it to be established.

Let your views be known -

Should it be 6 or 7 a-side?

Should it be played on a smaller ground - i.e. two pitches marked out across a current ground?

Duration of matches?

When should games be played? Evenings midweek or?

Should it commence October through to Decemeber?

If interested why not assemble a group of players from your club, your place of employment, your local 'watering hole' or just a group of friends?

Comments are invited and can be advised to the T.S.A. office.

TWENTY FIVE YEARS AGO THIS WEEK

In 1958 the top four teams had a play off as a final four and on July 8th 1958 the T.S.A. resolved that the bottom four would have a final four.

The account for washing the South's strip was passed for payment - cost? $2.00.

At the same meeting it was resolved that a match be played against H.M.S. Newfoundland.

A player by the name of Pirrie from Calies was sent off for "Ungentlemanly Conduct" and received a week's suspension. At the same Calies Reserves were allowed to play with "two odd shirts".

Committee member Mr. Bennett spoke on the matter of linesmen again being insulted by club supporters - (things haven't changed have they?).

TEN YEARS AGO THIS WEEK

Sandy Bay Olympia were granted approval to play a match against Sandy Bay Football Club - subject to Hobart City Council approval.

Numerous club were fined $10.00 for failing to supply Referees for Schoolboy matches whilst approval was granted for the National Under 14 final to be played as the curtain raiser to the Lloyd Triestino Cup final at South Hobart.
